

Canadian Collaboration for Immigrant and Refugee Health (CCIRH)

Appendix 1: Authors and partners who contributed to the publication of the Evidence Based Clinical Guidelines for Immigration and Refugee Health

CCIRH CO-CHAIRS

Kevin Pottie, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and Scientist, C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa

Peter Tugwell, Professor, Department of Internal Medicine, Director, Centre for Global Health, Institute of Population Health, University of Ottawa

STEERING COMMITTEE MEMBERS

John Feightner, Professor, Department of Family Medicine, Schulich School of Medicine and Dentistry, University of Western Ontario; **Christina Greenaway**, Associate Professor, Department of Medicine, McGill University, Division of Infectious Diseases and Clinical Epidemiology and Community Services Unit, SMBD Jewish General Hospital Montreal, Quebec; **Laurence J. Kirmayer**, James McGill Professor & Director, Division of Social & Transcultural Psychiatry, McGill University; Director, Culture & Mental Health Research Unit, Sir Mortimer B. Davis–Jewish General Hospital, Montreal, Quebec; **Noni E. MacDonald**, Professor, Department of Pediatrics, Dalhousie University; **Lavanya Narasiah**, Family Physician, PRAIDA Clinic, CSSS de la Montagne – site Côtes-des-Neiges, Montreal, Quebec; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Meb Rashid**, Family Physician Department of Family and Community Medicine, University of Toronto; **Helena Swinkels**, Clinical Assistant Professor, Department of Family Practice, University of British Columbia, and Medical Health Officer, Fraser Health Authority; **Peter Tugwell**, Professor, Department of Internal Medicine, Centre for Global Health, Institute of Population Health, University of Ottawa; **Vivian Welch**, Research Associate, Centre for Global Health, Institute of Population Health, University of Ottawa

COMMUNITY STAKEHOLDER PARTNERS

Yvonne Chiu and **Lucenia Ortiz** on behalf of the Edmonton Multicultural Health Brokers cooperative, Edmonton, Alberta

AUTHORS: Contributions by topic (alphabetical list of topics)

Cervical Cancer: **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Amy Nolen**, Medical Student, University of Sydney, Australia; former Research Associate, Institute of Population Health, University of Ottawa; **Patricia Topp**, Nurse Practitioner, Bruyère Family Medicine Centre, Faculty of Health Sciences, University of Ottawa; **Sara Torres**, Community Lay Health Promoter, PhD Candidate, University of Ottawa; **Vivian Welch**, Research Associate, Centre for Global Health, Institute of Population Health, University of Ottawa; **Nancy Durand**, Gynaecologist, Sunnybrook Health Sciences Centre, Assistant Professor, Department of Obstetrics and Gynecology, University of Toronto

Child Maltreatment: **Ghayda Hassan**, Professor, Department of Psychology, University of Quebec at Montreal; Researcher and Clinician at the Transcultural Research and Intervention team, CSSS de la Montagne and the Groupe de Recherche et d'Action contre la Victimation des Enfants (GRAVE); **Brett D. Thombs**, Associate Professor, Departments of Psychiatry; Epidemiology, Biostatistics, and Occupational Health; and Medicine, McGill University and Jewish General Hospital, Montréal, Quebec; **Cécile Rousseau**, Professor, Department of Psychiatry, Division of Social and Transcultural Psychiatry, McGill University, Director, Transcultural Research and Intervention team, CSSS de la Montagne; **Laurence J. Kirmayer**, James McGill Professor & Director, Division of Social & Transcultural Psychiatry, McGill University; Director, Culture & Mental Health Research Unit, Sir Mortimer B. Davis–Jewish General Hospital, Montreal, Quebec; **John Feightner**, Professor, Department of Family Medicine, Schulich School of Medicine and Dentistry, University of Western Ontario; **Erin Ueffing**, Coordinator, Campbell and Cochrane Equity Methods Group, Centre for Global Health, Institute of Population

Health, University of Ottawa; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa

Common Mental Health Problems in Immigrants and Refugees: **Laurence J. Kirmayer**, James McGill Professor & Director, Division of Social & Transcultural Psychiatry, McGill University; Director, Culture & Mental Health Research Unit, Sir Mortimer B. Davis–Jewish General Hospital, Montreal, Quebec; **Lavanya Narasiah**, Family Physician, PRAIDA Clinic, CSSS de la Montagne – site Côtés-des-Neiges, Montreal, Quebec; **Marie Munoz**, Family Physician, PRAIDA Clinic, CSSS de la Montagne – site Côtés-des-Neiges, Montreal, Quebec; **Meb Rashid**, Family Physician Department of Family and Community Medicine, University of Toronto; **Andrew G. Ryder**, Associate Professor, Department of Psychology, Concordia University & Culture & Mental Health Research Unit, Jewish General Hospital; **Jaswant Guzder**, Associate Professor, Division of Social & Transcultural Psychiatry, Department of Psychiatry, McGill University & Director, Centre for Child Development and Mental Health, Jewish General Hospital, Montreal, Quebec; **Ghayda Hassan**, Professor, Department of Psychology, University of Quebec at Montreal; Researcher and Clinician at the Transcultural Research and Intervention team, CSSS de la Montagne and the Groupe de Recherche et d'Action contre la Victimization des Enfants (GRAVE); **Cécile Rousseau**, Professor, Department of Psychiatry, Division of Social and Transcultural Psychiatry, McGill University, Director, Transcultural Research and Intervention team, CSSS de la Montagne; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa

Contraception: **Sheila Dunn**, Associate Professor, Department of Family and Community Medicine, Women's College Hospital, University of Toronto, Toronto, Ont. and Women's College Research Institute; **Praseedha Janakiram**, Women's Health Scholar, Department of Family and Community Medicine, University of Toronto; **Jennifer Blake**, Professor, Department of Obstetrics and Gynecology, Sunnybrook Health Sciences Centre and Women's College Hospital, University of Toronto; **Susan Hum**, Research Associate, Department of Family and Community Medicine, Women's College Hospital, University of Toronto; **Marianne Cheetham**, Nurse Practitioner, South Riverdale Community Health Centre, Toronto; **Vivian Welch**, Research Associate, Centre for Global Health, Institute of Population Health, University of Ottawa; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa

Dental Disease: **Mary McNally**, Associate Professor, Faculty of Dentistry, Dalhousie University; **Debora Matthews**, Professor, Faculty of Dentistry, Dalhousie University; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Barry Maze**, Director, Dental Public Health, Prince Edward Island (retired); **Shafik Dharamsi**, Assistant Professor, Department of Family Practice, Faculty of Medicine; Faculty Lead, Global Health Network, Liu Institute for Global Issues, University of British Columbia; **Helena Swinkels**, Clinical Assistant Professor, Department of Family Practice, University of British Columbia, and Medical Health Officer, Fraser Health Authority; **Khairun Jivani**, Researcher, Population and Public Health, British Columbia Children's Hospital; **Vivian Welch**, Research Associate, Centre for Global Health, Institute of Population Health, University of Ottawa; **Ahsan Ullah**, Canadian Institutes of Health Research Post-Doctoral Fellow, Centre for Global Health, Institute of Population Health, University of Ottawa

Depression: **Laurence J. Kirmayer**, James McGill Professor & Director, Division of Social & Transcultural Psychiatry, McGill University; Director, Culture & Mental Health Research Unit, Sir Mortimer B. Davis–Jewish General Hospital, Montreal, Quebec; **Lavanya Narasiah**, Family Physician, PRAIDA Clinic, CSSS de la Montagne – site Côtés-des-Neiges, Montreal, Quebec; **Andrew G. Ryder**, Associate Professor, Department of Psychology, Concordia University & Culture & Mental Health Research Unit, Jewish General Hospital; **Giovani Burgos**, Assistant Professor, Department of Sociology, McGill University; **Phyllis Zelkowitz**, Associate Professor, Department of Psychiatry, McGill University & Director of Research, Department of Psychiatry, Jewish General Hospital; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Stan Kutcher**, Professor & Sun Life Financial Chair in Adolescent Mental Health, Department of Psychiatry, Dalhousie University

Diabetes Mellitus: **Arunmozhi Dominic**, Resident, Department of Medicine, University of Western Ontario; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère

Research Institute, University of Ottawa; **Dominique Elien Massenat**, Community Medicine Resident, University of Ottawa; **Elizabeth Harvey**, Diabetes Nurse Practitioner, University of Western Ontario; **Jianwei Zhong**, Health Economist, C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute; **Stewart B. Harris**, Centre for Studies in Family Medicine, Department of Family Medicine, Schulich School of Medicine and Dentistry, University of Western Ontario

Hepatitis B: **Christina Greenaway**, Associate Professor, Department of Medicine, McGill University, Division of Infectious Diseases and Clinical Epidemiology and Community Services Unit, SMBD Jewish General Hospital Montreal, Quebec; **Lavanya Narasiah**, Family Physician, PRAIDA Clinic, CSSS de la Montagne-site Côtes-des-Neiges, Montreal, Quebec; **Pierre Plourde**, Associate Professor, Departments of Community Health Sciences and Medical Microbiology, University of Manitoba; **Erin Ueffing**, Coordinator, Campbell and Cochrane Equity Methods Group, Centre for Global Health, Institute of Population Health, University of Ottawa; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Marc Deschenes**, Department of Medicine, Division of Gastroenterology, McGill University Health Center, McGill University; **David K.H. Wong**, Department of Medicine, Division of Gastroenterology, University of Toronto; **Susan Kuhn**, Associate Professor, Departments of Pediatrics and Medicine, Head, Division of Pediatric Infectious Diseases, University of Calgary; **Jenny E. Heathcote**, Professor of Medicine, Division of Gastroenterology, University of Toronto, Francis Family Chair in Hepatology Research and a Senior Scientist in the Toronto Western Hospital Research

Hepatitis C: **Christina Greenaway**, Associate Professor, Department of Medicine, McGill University, Division of Infectious Diseases and Clinical Epidemiology and Community Services Unit, SMBD Jewish General Hospital Montreal, Quebec; **David K.H. Wong**, Department of Medicine, Division of Gastroenterology, University of Toronto; **Deborah Assayag**, Department of Medicine, SMBD Jewish General Hospital, McGill University; **Marc Deschenes**, Department of Medicine, Division of Gastroenterology, McGill University Health Center, McGill University; **Charles Hui**, Assistant Professor, Department of Paediatrics, Division of Infectious Diseases, University of Ottawa; **Erin Ueffing**, Coordinator, Campbell and Cochrane Equity Methods Group, Centre for Global Health, Institute of Population Health, University of Ottawa; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Amelia Sandoe**, Clinical Epidemiology and Community Services Unit, SMBD Jewish General Hospital, McGill University; **Meb Rashid**, Family Physician Department of Family and Community Medicine, University of Toronto; **Jenny E. Heathcote**, Professor of Medicine, Division of Gastroenterology, University of Toronto, Francis Family Chair in Hepatology Research and a Senior Scientist in the Toronto Western Hospital Research.

HIV: **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Bilkis Vissandjée**, Professor, Faculty of Nursing Sciences, Université de Montréal; **Jennifer Grant**, Clinical Instructor, Department of Pathology and Laboratory Medicine (Vancouver General Hospital), Division of Infectious Disease (St. Paul's Hospital), University of British Columbia; **Carmen Logie**, Doctoral Student, Faculty of Social Work, University of Toronto; **Ahsan Ullah**, Canadian Institutes of Health Research Post Doctoral Fellow, Centre for Global Health, Institute of Population Health, University of Ottawa; **Félicité Murangira**, HIV/AIDS Community Health Promoter, University of Ottawa; **Vivian Welch**, Research Associate, Centre for Global Health, Institute of Population Health, University of Ottawa

Intestinal Parasites: **Kamran Khan**, Associate Professor, Division of Infectious Diseases, University of Toronto, Centre for Research on Inner City Health, St. Michael's Hospital; **Christine Heidebrecht**, Centre for Research on Inner City Health, St. Michael's Hospital; **Jennifer Sears**, Centre for Research on Inner City Health, St. Michael's Hospital; **Angie Chan**, Centre for Research on Inner City Health, St. Michael's Hospital; **Meb Rashid**, Family Physician, Department of Family and Community Medicine, University of Toronto, Toronto; **Christina Greenaway**, Associate Professor, Department of Medicine, Division of Infectious Diseases and Clinical Epidemiology and Community Services Unit, SMBD Jewish General Hospital, McGill University; **William Stauffer**, Associate Professor, Department of Medicine, Division of Infectious Diseases and International Medicine and the Department of Pediatrics, Infectious Diseases, University of Minnesota; **Lavanya Narasiah**, Family Physician, PRAIDA Clinic, CSSS de la Montagne – site Côtes-des-Neiges, Montreal, Quebec; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa

Iron-Deficiency Anemia: **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Andrea Chambers**, Research Associate, Institute of Population Health, University of Ottawa; **Beverly Brockest**, Dietitian, Access Alliance Community Health Centre, Toronto; **Vivian Welch**, Research Associate, Centre for Global Health, Institute of Population Health, University of Ottawa; **Stanley Zlotkin**, Professor, Departments of Paediatrics (Primary), Nutritional Sciences and Public Health Sciences, University of Toronto, Senior Scientist, Program in Child Health and Evaluative Sciences, Research Institute, Hospital for Sick Children, Director, Sprinkles Global Health Initiative, Hospital for Sick Children, Research Fellow, Centre for International Health, University of Toronto, Head, Division of Gastroenterology, Hepatology and Nutrition, Hospital for Sick Children, Toronto

Intimate Partner Violence: **Ghayda Hassan**, Professor, Department of Psychology, University of Quebec at Montreal; Researcher and Clinician at the Transcultural Research and Intervention team, CSSS de la Montagne and the Groupe de Recherche et d'Action contre la Victimization des Enfants (GRAVE); **Brett D. Thombs**, Associate Professor, Departments of Psychiatry; Epidemiology, Biostatistics, and Occupational Health; and Medicine, McGill University and Jewish General Hospital, Montréal, Quebec; **Cécile Rousseau**, Professor, Department of Psychiatry, Division of Social and Transcultural Psychiatry, McGill University, Director, Transcultural Research and Intervention team, CSSS de la Montagne; **Laurence J. Kirmayer**, James McGill Professor & Director, Division of Social & Transcultural Psychiatry, McGill University; Director, Culture & Mental Health Research Unit, Sir Mortimer B. Davis–Jewish General Hospital, Montreal, Quebec; **John Feightner**, Professor, Department of Family Medicine, Schulich School of Medicine and Dentistry, University of Western Ontario; **Erin Ueffing**, Coordinator, Campbell and Cochrane Equity Methods Group, Centre for Global Health, Institute of Population Health, University of Ottawa; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa

Malaria: **Anne E. McCarthy**, Associate Professor of Medicine, Department of Medicine and Director, Office of Global Health Faculty of Medicine, University of Ottawa, Clinical Investigator, Ottawa Health Research Institute and Clinical Scientist, Élisabeth Bruyère Research Institute; **Sunil Varghese**, PGY5 Infectious Diseases Adult Training Program, University of Ottawa; **Ann Duggan**, Senior Medical Officer, Health Policy Citizen and Immigration Canada; **Glenn Campbell**, Department of Emergency Medicine, Dalhousie University, Family Physician, North End Community Health Centre, Halifax, Nova Scotia; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Susan Kuhn**, Associate Professor, Departments of Pediatrics and Medicine, Head, Division of Pediatric Infectious Diseases, University of Calgary

Measles, Mumps and Rubella and Diphtheria, Pertussis, Tetanus & Polio: **Christina Greenaway**, Associate Professor, Department of Medicine, McGill University, Division of Infectious Diseases and Clinical Epidemiology and Community Services Unit, SMBD Jewish General Hospital Montreal, Quebec; **Marie Munoz**, Family Physician, PRAIDA Clinic, CSSS de la Montagne – site Côtes-des-Neiges, Montreal, Quebec; **Elizabeth D. Barnett**, Professor of Pediatrics, Boston University School of Medicine; **Amelia Sandoe**, Clinical Epidemiology and Community Services Unit, SMBD Jewish General Hospital, McGill University; **Erin Ueffing**, Coordinator, Campbell and Cochrane Equity Methods Group, Centre for Global Health, Institute of Population Health, University of Ottawa; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Susan Kuhn**, Associate Professor, Departments of Pediatrics and Medicine, Head, Division of Pediatric Infectious Diseases, University of Calgary; **Jay S. Keystone**, Professor of Medicine, University of Toronto, Tropical Disease Unit, Toronto General Hospital.

Evaluation of Evidence-based Literature and Formulation of Recommendations: **Peter Tugwell**, Professor, Department of Internal Medicine, Centre for Global Health, Institute of Population Health, University of Ottawa; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Vivian Welch**, Research Associate, Centre for Global Health, Institute of Population Health, University of Ottawa; **Erin Ueffing**, Coordinator, Campbell and Cochrane Equity Methods Group, Centre for Global Health, Institute of Population Health, University of Ottawa; **Andrea Chambers**, Research Associate, Institute of Population Health, University of Ottawa; **John Feightner**, Professor, Department of Family Medicine, Schulich School of Medicine and Dentistry, University of Western Ontario

Migration and Health in Canada: Health in the Global Village: **Brian D. Gushulak**, Migration Health Consultants, Inc., Singapore; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Janet Hatcher Roberts**, Migration Health Department, The International Organization for Migration, Geneva; **Sara Torres**, Associate Professor, Departments of Family Medicine and Community Health and Epidemiology, Institute of Population Health, University of Ottawa; **Marie DesMeules**, Public Health Agency of Canada

Pregnancy: **Anita J. Gagnon**, Associate Professor, School of Nursing and Department of Obstetrics and Gynaecology, McGill University; Nurse Scientist, McGill University Health Centre; **Hélène Rousseau**, Physician, McGill University; Family Medicine Group, CLSC Côte-des-Neiges, Montréal, Que.; **Michel Welt**, Physician, Hôpital du Sacré-Coeur de Montréal, Université de Montréal; **Sinclair Harris**, Midwife, CSSS De L'Ouest de L'Île-Community Birthing Centre; Université de Montréal; **Danielle Hone**, Nurse Clinician, Women's Health Mission, McGill University Health Centre; **Srinivasan Krishnamurthy**, Physician, Obstetrics & Gynaecology Department –Women's Health Mission, McGill University Health Centre; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa

Post-Traumatic Stress Disorder: **Cécile Rousseau**, Professor, Department of Psychiatry, Division of Social and Transcultural Psychiatry, McGill University, Director, Transcultural Research and Intervention team, CSSS de la Montagne; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Brett D. Thombs**, Associate Professor, Departments of Psychiatry; Epidemiology, Biostatistics, and Occupational Health; and Medicine, McGill University and Jewish General Hospital, Montréal, Quebec; **Marie Munoz**, Family Physician, PRAIDA Clinic, CSSS de la Montagne – site Côtes-des-Neiges, Montreal, Quebec; **Tomas Jurcik**, PhD student, Clinical Psychology Program, Concordia University

Review: Evidence Based Clinical Guidelines for Immigrants and Refugees: **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Christina Greenaway**, Associate Professor, Department of Medicine, Division of Infectious Diseases and Clinical Epidemiology and Community Services Unit, SMBD Jewish General Hospital, McGill University; **John Feightner**, Professor, Department of Family Medicine, Schulich School of Medicine and Dentistry, University of Western Ontario; **Vivian Welch**, Research Associate, Centre for Global Health, Institute of Population Health, University of Ottawa; **Helena Swinkels**, Clinical Assistant Professor, Department of Family Practice, University of British Columbia, and Medical Health Officer, Fraser Health Authority; **Meb Rashid**, Family Physician Department of Family and Community Medicine, University of Toronto; **Lavanya Narasiah**, Family Physician, PRAIDA Clinic, CSSS de la Montagne – site Côtes-des-Neiges, Montreal, Quebec; **Laurence Kirmayer**, James McGill Professor & Director, Division of Social & Transcultural Psychiatry, McGill University; Director, Culture & Mental Health Research Unit, Sir Mortimer B. Davis–Jewish General Hospital, Montreal, Quebec; **Erin Ueffing**, Coordinator, Campbell and Cochrane Equity Methods Group, Centre for Global Health, Institute of Population Health, University of Ottawa; **Noni E. MacDonald**, Professor, Department of Paediatrics, Dalhousie University; **Ghayda Hassan**, Professor, Department of Psychology, University of Quebec at Montreal; Researcher and Clinician at the Transcultural Research and Intervention team, CSSS de la Montagne and the Groupe de Recherche et d'Action contre la Victimation des Enfants (GRAVE); **Mary McNally**, Associate Professor, Faculty of Dentistry, Dalhousie University; **Debora Matthews**, Professor, Faculty of Dentistry, Dalhousie University; **Kamran Kahn**, Associate Professor, Division of Infectious Diseases, University of Toronto, Centre for Research on Inner City Health, St. Michael's Hospital; **Ralf Buhrmann**, Assistant Professor, University of Ottawa Eye Institute; **Sheila Dunn**, Associate Professor, Department of Family and Community Medicine, University of Toronto; Clinical Researcher, Women's College Research Institute, Women's College Hospital, Toronto; **Arunozhi Dominic**, Resident and Graduate Researcher, Department of Medicine, University of Western Ontario; **Anne E. McCarthy**, Associate Professor of Medicine, Department of Medicine and Director, Office of Global Health Faculty of Medicine, University of Ottawa, Clinical Investigator, Ottawa Health Research Institute and Clinical Scientist, Élisabeth Bruyère Research Institute; **Anita J. Gagnon**, Associate Professor, School of Nursing and Department of Obstetrics and Gynaecology, McGill University; Nurse Scientist, McGill University Health Centre; **Cécile Rousseau**, Professor, Department of Psychiatry, Division of Social and Transcultural Psychiatry, McGill University, Director, Transcultural Research and Intervention team, CSSS de la Montagne; **Peter Tugwell**, Professor, Department of Internal Medicine, Centre for Global Health, Institute of Population Health, University of Ottawa; and coauthors of the Canadian Collaboration for Immigrant and Refugee Health (CCIRH)

Selection of Potentially Preventable and Treatable Conditions: **Helena Swinkels**, Clinical Assistant Professor, Department of Family Practice, University of British Columbia, and Medical Health Officer, Fraser Health Authority; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Peter Tugwell**, Professor, Department of Internal Medicine, Centre for Global Health, Institute of Population Health, University of Ottawa; **Meb Rashid**, Family Physician Department of Family and Community Medicine, University of Toronto; **Lavanya Narasiah**, Family Physician, PRAIDA Clinic, CSSS de la Montagne – site Côtes-des-Neiges, Montreal, Quebec

Tuberculosis: **Christina Greenaway**, Associate Professor, Department of Medicine, McGill University, Division of Infectious Diseases and Clinical Epidemiology and Community Services Unit, SMBD Jewish General Hospital Montreal, Quebec; **Amelia Sandoe**, Clinical Epidemiology and Community Services Unit, SMBD Jewish General Hospital, McGill University; **Bilkis Vissandjée**, Professor, Faculty of Nursing Sciences, Université de Montréal; **Ian Kitai**, Department of Pediatrics, Division of Infectious Diseases, Hospital for Sick Children, University of Toronto; **Doug Gruner**, Department of Family Medicine, University of Ottawa; **Wendy Wobeser**, Department of Medicine, Division of Infectious Diseases, Queen's University; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Erin Ueffing**, Coordinator, Campbell and Cochrane Equity Methods Group, Centre for Global Health, Institute of Population Health, University of Ottawa; **Dick Menzies**, Professor of Medicine, Epidemiology and Biostatistics, Montreal Chest Institute, McGill University; **Kevin Schwartzman**, Associate Professor, Department of Medicine, Respiratory Division, McGill University

Varicella: **Christina Greenaway**, Associate Professor, Department of Medicine, McGill University, Division of Infectious Diseases and Clinical Epidemiology and Community Services Unit, SMBD Jewish General Hospital Montreal, Quebec; **Meb Rashid**, Family Physician Department of Family and Community Medicine, University of Toronto; **Elizabeth D. Barnett**, Professor of Pediatrics, Boston University School of Medicine; **Amelia Sandoe**, Clinical Epidemiology and Community Services Unit, SMBD Jewish General Hospital, McGill University; **Erin Ueffing**, Coordinator, Campbell and Cochrane Equity Methods Group, Centre for Global Health, Institute of Population Health, University of Ottawa; **Marie Munoz**, Family Physician, PRAIDA Clinic, CSSS de la Montagne – site Côtes-des-Neiges, Montreal, Quebec; **Helena Swinkels**, Clinical Assistant Professor, Department of Family Practice, University of British Columbia, and Medical Health Officer, Fraser Health Authority; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **Jay S. Keystone**, Professor of Medicine, University of Toronto, Tropical Disease Unit, Toronto General Hospital.

Vision Health: **Ralf Buhmann**, Assistant Professor, University of Ottawa Eye Institute; **Andrew Toren**, Resident, University of Ottawa Eye Institute; **William Hodge**, Professor and Chairman, Ivey Eye Institute, University of Western Ontario; **Alison Eyre**, Associate Professor, Department of Family Medicine, University of Ottawa; **Michèle Martin**, Optometrist, Ottawa; **Walter Delpero**, Assistant Professor, University of Ottawa Eye Institute; **Robert Laroche**, Professor, Department of Ophthalmology, Dalhousie University; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa

OTHER COMMITTEE MEMBERS

Medical Librarians and Methods Group

Jessie McGowan, Medical Librarian, Institute of Population Health, University of Ottawa; **Lynn Dunikowski**, Canadian Library of Family Medicine, University of Western Ontario; **Peter Tugwell**, Professor, Department of Internal Medicine, Centre for Global Health, Institute of Population Health, University of Ottawa; **Kevin Pottie**, Associate Professor, Departments of Family Medicine and Epidemiology and Community Medicine, Scientist, Centre for Global Health, Institute of Population Health and C.T. Lamont Primary Health Care Research Centre, Élisabeth Bruyère Research Institute, University of Ottawa; **John Feightner**, Professor, Department of Family Medicine, Schulich School of Medicine and Dentistry, University of Western Ontario; **Vivian Welch**, Research Associate, Centre for Global Health, Institute of Population Health, University of Ottawa; **Erin Ueffing**, Coordinator, Campbell and Cochrane Equity Methods Group, Centre for Global Health, Institute of Population Health, University of Ottawa

Consensus Conference Expert Panel (May 18/19, 2007)

Harry Ames (Health Canada), **Andrea Chambers** (University of Ottawa), **Marie DesMeules** (Public Health Agency of Canada), **Ann Duggan** (Health Services Branch, Citizenship and Immigration Canada), **John Feightner** (University of Western Ontario), **Christina Greenaway** (McGill University), **Brian Gushulak** (Migration Health Consultants, International Society for Travel Medicine), **Janet Hatcher Roberts** (International Organization for Migration), **Stan Houston** (University of Alberta), **Leanne Idzerda** (University of Ottawa), **Kamran Kahn** (University of Toronto), **Laurence J. Kirmayer** (McGill University), **Umit Kiziltan** (Citizenship and Immigration Canada), **Susan Kuhn** (University of Calgary), **Anne E. McCarthy** (University of Ottawa), **Sarah McDermott** (Public Health Agency of Canada), **Lavanya Narasiah** (PRAIDA, Montreal), **Kevin Pottie** (University of Ottawa), **Meb Rashid** (University of Toronto), **Vivian Welch** (University of Ottawa), **Enrique Soto** (C.T. Lamont Primary Health Care Research Centre, Ottawa), **William Stauffer** (University of Minnesota), **Helena Swinkels** (University of British Columbia), **Sarah Torres** (Latin American Women Support Organization), **Peter Tugwell** (University of Ottawa), **Denise Werker** (Public Health Agency of Canada)
